

**Biography:**

Bonnie Kowaliuk is a creative educational consultant/facilitator employing a holistic, integrative approach in helping individuals, family systems, athletic and organizational teams to develop learning solutions and maximize their performance potential, using arts & gender-based learning approaches. She graduated from Royal Roads University with an MBA in Leadership and she holds two undergraduate degrees – BA (psychology) and Bachelor of Music Therapy and two professional designations as a Registered Social Worker, Accredited Music Therapist. In addition, she is also a Health Rhythms Drum Facilitator, a Gurian Institute Certified Trainer, specializing in the use of gender-based learning strategies, and a Guided Imagery in Music facilitator/coach. She provides an eclectic approach to consulting and coaching with individual students, families, school systems and organizations.
